

Samuel Rieske was an immigrant from Russia. He homesteaded & farmed the flat west of the road & the vale down in the Rieske resort - south of ^{present Deer Creek Dam}. Samuel had a son named Samuel Rieske Jr & another son named Walter.

Samuel Jr - died in a fall while he was building a barn on the upper flat near the road for hay storage - ^{where electric substation is}

Walter ran the farm after the father died. It became a fishing resort

Later Clyde weeks took over this operation
